

The Enterprising West Lancashire Project

Since early 2007 The Enterprising West Lancashire Project have engaged MGA Marketing Limited to provide a range of services. These include:

For external clients: offering a range of services including tele-marketing and generic marketing support.

Workshops: delivering tele-marketing and generic marketing courses to business owners from across the district.

We are continuing to work with MGA Marketing Limited as the quality of services we have received has been of a high standard.
